

Molly Paradise

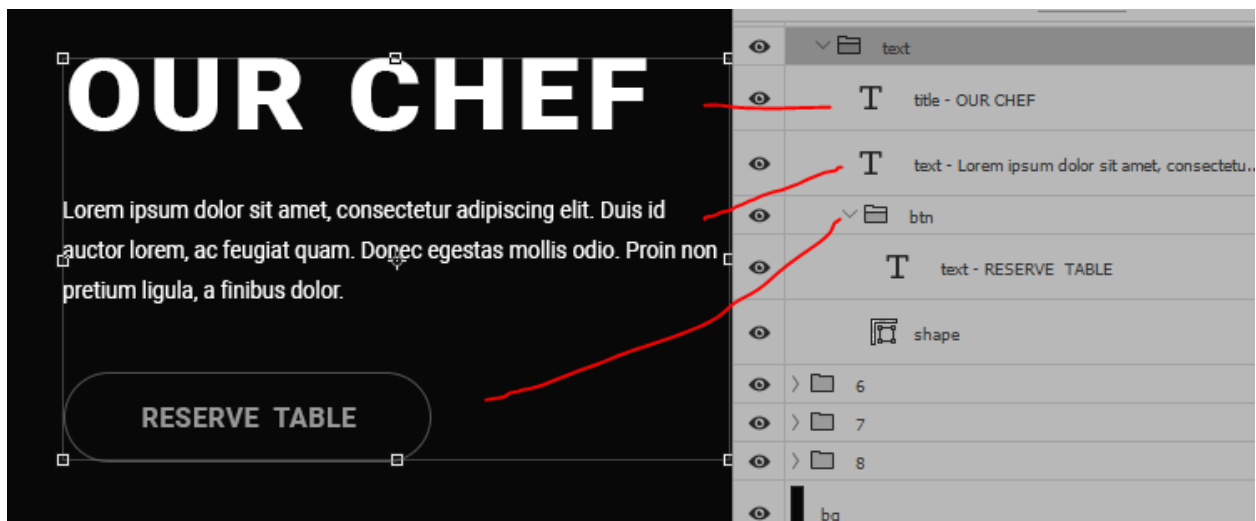

Section

Each page screen (section) is in dedicated group, it has numeric names. 1 is the most top, 8 is the last screen.

Design element group

All elements are grouped by their position/action. You can see Text group holds all text, there is title and text separate, also button has “btn” group, which contains text and round border radius shape.

Icons

All icons are created using <http://fontawesome.io/>, more details could be found in provided link.
